WASHINGTON, D.C. — American Fuel & Petrochemical Manufacturers **(AFPM) President and CEO Chet Thompson** today issued the following statement on the United States Senate's budget reconciliation bill:

> "AFPM applauds and supports the Senate's pro-growth, pro-energy reconciliation bill. We encourage the House to quickly take up and pass this important legislation. Not doing so would be bad for our country."

About AFPM:

The American Fuel & Petrochemical Manufacturers (AFPM) is the leading trade association representing the makers of the fuels that keep us moving, the petrochemicals that are the essential building blocks for modern life, and the midstream companies that get our feedstocks and products where they need to go. We make the products that make life better, safer and more sustainable — we make progress.
