WASHINGTON, D.C. – The American Fuel & Petrochemical Manufacturers (AFPM) proudly announces the recipients of its 2025 Annual Safety Awards, the industry's most respected recognition of occupational and process safety excellence. Guided by AFPM's Safety and Health Committee, these awards reflect the industry's ongoing commitment to continuous improvement, safe and reliable operations, and a culture that puts people first—honoring facilities that consistently demonstrate outstanding safety performance.

> "Winners of AFPM's safety awards are truly the best of the best in an industry whose performance ranks among the safest of all industries nationwide. This doesn't happen by accident. It happens because of the commitment and hard work of our member companies and associates, from top to bottom throughout their organizations. We congratulate all the winners for their hard work and, more importantly, for their efforts to keep their workforce and communities safe," said **AFPM President and CEO Chet Thompson**.

The highest honor, the ***Distinguished Safety Award***, is awarded to the top sites with outstanding safety performance, program innovation, and safety leadership.
