Please complete and return this form (including the copyright policy on page 2), to Rose Sabijon either by e-mail at rsabijon@afpm.org or fax at (202) 457-0486. You may also contact her if you need information about the cost of additional licenses based on your subscription category.

AFPM Petrochemical Statistics Program Copyright and Reproduction Policy

This publication is protected under copyright law, and your use and reproduction of this publication and the data contained herein is also governed by the following terms of use and any additional terms and conditions set forth in your Subscription Form & Contract. Except as specifically permitted in this policy, this publication, and the data contained herein may not be reproduced or transmitted in any form, or by any means, electronic or mechanical, including photocopy, recording, or any information storage and retrieval system either directly or indirectly or in whole or in part (“Reproduce” or “Reproduced”) without the express written consent of AFPM.

Regular Subscribers:

Regular subscribers receive the AFPM Petrochemical Statistics Reports under the following conditions:

- AFPM Petrochemical Statistics Reports may **not** be Reproduced outside the subscribing organization without the express written consent of AFPM.
- The data and any analysis of the data contained in the AFPM Petrochemical Statistics Reports is intended solely for the internal use of our Subscribers and their employees and may not be Reproduced or referenced outside the Subscriber’s organization without the express written consent of AFPM.
- Sharing the AFPM Petrochemical Statistics Reports and the data contained in the reports with affiliated companies is allowed only in cases where the subscriber owns at least a 50 percent ownership interest in the affiliate with which the AFPM Petrochemical Statistics Reports or data will be shared, and where subscriber guarantees and ensures the affiliate is bound by this Policy as well.
- In all cases where written consent has been provided by AFPM and the AFPM Petrochemical Statistics Reports or data contained in the AFPM Petrochemical Statistics Reports is referenced, AFPM must be cited as the source of the data or information. The following language must appear on each page of the document where the data is referenced: “Reproduced with permission from the American Fuel & Petrochemical Manufacturers. ©2021. All Rights Reserved.”

Publishing Subscribers:

Publishing subscribers receive the AFPM Petrochemical Statistics Reports under the following conditions:

- Any party who wishes to Reproduce or reference, either directly or indirectly, the AFPM Petrochemical Statistics Reports or data therein or their own analysis of the data as part of another publication may do so only by becoming and remaining an AFPM Statistics Publishing Subscriber in good standing.
- Only the subscribing entity that is recognized by AFPM as an AFPM Statistics Publishing Subscriber in good standing has the rights granted under this section. Affiliated entities are **not** entitled to these same rights provided by this subscription.
- In all cases where AFPM Petrochemical Statistics Reports or data from the AFPM Petrochemical Statistics Reports is Reproduced or referenced, AFPM must be cited as the source of the data or information. The following language must appear on each page of the document where the data is referenced: “Reproduced with permission from the American Fuel & Petrochemical Manufacturers. ©2021. All Rights Reserved.”

Failure to Comply with This Policy

For questions on proper data use and publication, please consult AFPM at rsabijon@afpm.org. Subscribers found in violation of this copyright policy will be subject to penalties, including but not limited to the following: suspension of Reproduction privileges, cancellation of the subscription service, additional legal action and referral to the AFPM President for action concerning AFPM membership privileges.
