Sponsor Opportunities

Session Sponsor

Grab the attention of your potential customers with a 30 second company commercial. Prior to the start of the session, and at the ending, your company message will be shared with all knowledge seeking attendees.

Luncheons

This sponsorship includes an opportunity to personally greet the guests and have a few minutes on the microphone during the luncheon. A reserved prominent table of (8) with their logo at the luncheon.

Cocktail Reception

Engage all conference attendees in face-to-face networking during the cocktail reception on Monday, October 24. Your logo will be prominently displayed at the cocktail stations. We encourage you to provide additionally branded items with your company name and logo (Subject to AFPM approval).

Custom Room Keys

All attendees staying within AFPM's room block will be given customized key cards with your unique message. Utilized multiple times daily, your brand extends its reach and visibility with each entry.

Networking Breaks

Engage with attendees during these dedicated networking segments. Each one offers unique opportunities to discuss your brand or service all the while recharging the body with refreshments. A table will be provided for your collateral as well as signage with your logo. Your company can provide additional signage and logoed items (i.e. napkins, disposable cups or coffee sleeves).

Wireless Internet

Instead of the attendees draining their data plans, you can provide them with internet access on their mobile device. As they access the internet, a redirect to your branded splash page and contact information enables them to review your products and services.
