**Security Conference**  
**April 16-17, 2026**  
**New Orleans, LA**

The AFPM Security Conference is the only one of its kind unique to the fuel refining and petrochemical manufacturing industries. The 2026 Security Conference is a forum for corporate and site security personnel to explore current topics relating to security at facilities, regulations, policies, and global developments that may impact your business assets or personal safety. Join the discussion to learn more about how our industries operate in an era of enhanced security.

The AFPM Security Conference is the longest running security conference designed for the refining and petrochemical industries.
