# Environmental Conference

## We Can't Wait to See You!

The AFPM Environmental Conference focuses on environmental regulatory and policy issues at the facility level. The sessions are designed to address the impacts of various environmental regulations on refineries and petrochemical operations and to provide compliance solutions for facilities. Environmental representatives from refinery and petrochemical plants and service organizations attend, providing an excellent opportunity to network with peers who share similar problems, challenges, and opportunities in the refining and petrochemical industries.

## Conference Fees

Register by **September 10th** to receive the early registration fee. Registration fees increase by **\$100 on September 11th**. Online registration closes on **October 1st**.

Early Member Registration	\$	750
Member Registration	\$	850
Early Non-Member Registration	\$	1250
Non-Member Registration	\$	1350
