

OPTS19 Tabletop Prospectus

San Antonio, TX

San Antonio Marriott Rivercenter

October 14-16

Tabletop Application Priority Deadline August 9, 2019

The tabletop exhibits are an economical way for all affiliates to reach the operating company attendees who are at the conference. And, the operators will gain convenient access to the affiliates who participate in one convenient location.

Lunch will be served both Monday and Tuesday in the exhibit hall, and a 1 hour 15 minute reception will be held Monday evening. This will leave the evenings free for companies to hold dinners or other events.

The information in this packet will help you to reserve a tabletop area at the Operations & Process Technology Summit (formerly Q&A and Technology Forum) in San Antonio, TX, October 14-16, 2019.

Included in this file are:

- Tabletop Opportunity
- Tabletop Rules and Regulations
- Registration and Hotel Information
- Important Dates
- AFPM Entertainment Policy
- AFPM Antitrust Policy
- AFPM Ethics and Conduct Code Policy

The 2019 program is currently in the planning stages. To get an idea of what's in store, visit www.afpm.org.

Tabletop Exhibit

The conference will include a tabletop exhibit and networking opportunity much like the AFPM Cat Cracker Seminar. Consultants, catalyst and technology companies will have time to facilitate face-to-face contact with key industry experts. The tabletop exhibitors are given 5 hours and 15 minutes in the 2 1/2 day program to interact with attendees.

How to Reserve a Tabletop

You may complete the attached application and fax to (202) 835-0467 or complete your application online by visiting the Operations & Process Technology Summit [website](#). Click on the link to the Online Exhibitor Application under the "Exhibitors/Sponsors" tab.

Tabletop Assignments

Member companies who submit their contracts by August 9, 2019 will receive priority processing for entry into the show and assignment of tabletop location. After August 9, tables will be assigned on a first-come, space available basis. This year's floor plan consists of 50, 8' tabletops.

After a tabletop location is assigned, a confirmation will be sent to the exhibitor with the assigned space. AFPM reserves the right to make necessary changes in assigned tabletop locations for the benefit of exhibitors and the betterment of the entire meeting.

Suite & Meeting Space

If you prefer to hold a traditional hospitality suite in addition to or in place of the tabletop exhibit, please refer to that separate application. A limited number of rooms are available for this purpose and affiliates are only able to hold one piece of space per company. Remember: All company personnel who will be doing business in the space held by your company are expected to register for the conference and pay the registration fees, regardless of whether they attend the meeting sessions.

AFPM Entertainment Policy

We ask your cooperation in observing the Association policy on activities held in conjunction with any AFPM meeting:

- All representatives of companies sponsoring hospitality activities are expected to register for the meeting.
- Meetings or social activities should not be scheduled that take registrants away from AFPM programs and AFPM-sponsored activities.
- Companies are asked to restrict their entertainment outside hospitality suites to activities that do not include expensive or elaborate entertainment.
- Any company sponsoring a function to which 25 or more people are invited should outline its plans for advance approval by AFPM. In general, such functions will be approved if they do not unduly take registrants away from AFPM-sponsored activities.

OPTS19 Tabletop Prospectus

- Hospitality suites are expected to close by 1:00 a.m.
- Food, beverage and service personnel (bartenders, hostesses, etc.) must be obtained through the hotel catering department.
- Suite promotional activities are to avoid the use of elaborate entertainment, expensive door prizes, suite attendance solicitation by individuals who are not full-time employees of the sponsoring company, or other similar activities.

AFPM Anti-Trust Policy

The American Fuel & Petrochemical Manufacturers is a nonprofit, 501(c) 6 membership association organized to foster cooperation and the exchange of technical information among its members. These worthwhile activities are sanctioned by custom and law. It is important, however, to recognize that these activities are subject to the legal limits of federal and state antitrust laws. AFPM is committed to complying with the antitrust laws in all respects and has adopted the following guidelines in order to facilitate compliance with the antitrust laws at its meetings: As a general matter, the antitrust laws prohibit competitors from agreeing on the prices they will charge, the products they will offer, the customers they will serve, or the markets in which they will compete. Therefore, there should be no discussion or disclosure of information with respect to (a) expected profits, premiums, prices, surcharges, or discounts; (b) specific customers or classes of customers, or whether you will or will not do business with them; (c) proposed product offerings; (d) allocation of geographic or product markets; (e) any refusal to deal with a customer or supplier; (f) how to deal with the market behavior of a competitor; or (g) any other topic involving a potentially anticompetitive practice.

Some subjects of discussion may lead to agreements that are not unlawful on their

face but that may have an unlawful anticompetitive effect or may give rise to the inference of an anticompetitive act, depending upon their scope and how they are implemented. Other subjects may appear to be prohibited by the antitrust laws but in fact may be permitted because of the context or ultimate purpose of the communication. Whether discussing a subject is permissible may vary depending on factors such as the nature of the subject matter, its relationship to competition among AFPM members, the purpose of the communication, and the degree of restraint that AFPM members can be expected to exercise.

We cannot make a statement that will take the place of advice from your own company or that will cover every situation. We do suggest that those attending our meetings may avoid difficulties for themselves and for the Association by observing these principles and calling to AFPM's attention any violations you may observe at any of our meetings.

AFPM Ethical Responsibility and Professional and Personal Conduct Code

The American Fuel and Petrochemical Manufacturers ("AFPM") has adopted the following "Ethical Responsibility and Professional and Personal Conduct Code" (hereinafter, "the Code"). Every member of AFPM, their designated representatives, and non-member attendees at all AFPM meetings and forums agree to abide by the Code as a condition of membership in AFPM and attendance and participation at AFPM meetings and forums.

The Code requires the following of all individuals attending AFPM meetings and forums:

- Adherence to the AFPM bylaws and the AFPM policies and procedures, as adopted by AFPM's Board of Directors.
- Strict compliance with antitrust laws.
- Adherence to all applicable federal and state laws.

•Maintenance of the highest level of professional and personal ethical behavior while attending AFPM meetings and forums.

•Prevention of certain behaviors, including harassment, violence, intimidation and discrimination of any kind involving race, color, religion, national origin, gender, sexual orientation, age, disability or, where applicable, veteran or marital status.

•Assurance that conduct at all times and in all professional and personal dealings with each other and other attendees is with the highest level of integrity and courtesy.

•Sharing of knowledge and expertise as speakers at AFPM educational events and sessions whenever practicable, without soliciting or explicitly promoting their own organization's products or services.

•Working to instill public and consumer confidence in the petrochemical and refining industries, its member companies, and its professionals, avoiding any action conducive to discrediting members of AFPM.

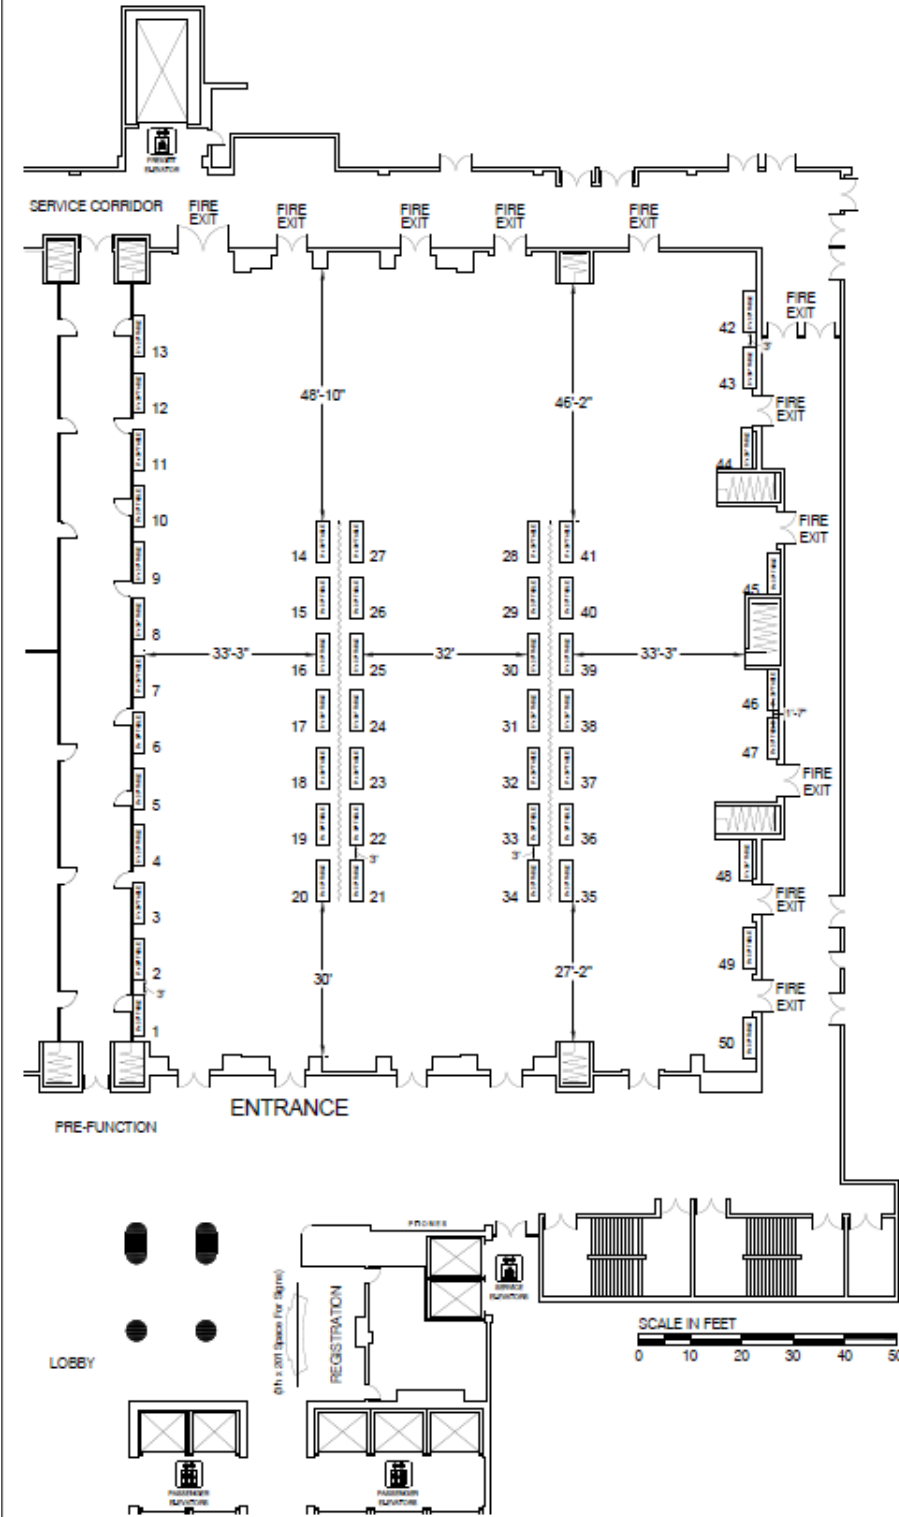

•Refraining from scheduling general attendance meetings, receptions or other events at times that conflict with substantive programming or social events at AFPM meetings without express written permission of AFPM.

Failure to abide by the Code may result, for the first offense, in informal censure of a company or individual by the AFPM Executive Committee. If violations of the Code continue after such an informal censure, a company may be subject to expulsion from AFPM, or an individual to exclusion from participation in AFPM activities, by the Board of Directors.
